ABOUT OUR COMPANY

Tanzanian construction partner for civil and building works.

CENTROID CONTRACTORS LIMITED is a Tanzania-based construction company headquartered in Sakina, Arusha. The company provides dependable building construction, civil works, road works, renovations, plumbing and general supply services for public and private sector clients.

The company was incorporated under the Companies Act, 2002 and operates with registration, tax and contractor compliance documents issued by the relevant authorities in Tanzania.

Our technical team emphasizes careful supervision, reliable project delivery, safety, quality workmanship and strong client relationships in every project.

Quality Workmanship

Every project is executed with careful supervision, proper materials and defined standards.

Reliable Delivery

Planning, site control and resource management support on-time performance.

Client Partnership

We communicate clearly and work closely with clients from planning to completion.

COMPLIANCE POSITION

Centroid Contractors Limited maintains official documentation covering company incorporation, TRA taxpayer registration, VAT registration, CRB registration and business licensing for building and civil contracting activities.

MISSION, VISION & VALUES

The principles that guide our delivery in the construction industry.

OUR MISSION

To provide professional construction services that serve small and large projects across Tanzania, stimulating growth through quality, integrity and reliable execution.

OUR VISION

To become a leading construction company in Tanzania, recognized for quality workmanship, customer satisfaction, sustainable development and dependable project delivery.

OUR VALUES

Integrity, safety, accountability, teamwork, transparency, gender balance, respect for specifications and commitment to timely performance.

CORE OPERATING VALUES

- Respect project specifications and professional standards.
- Maintain safe sites and responsible resource use.
- Keep clients informed through transparent communication.
- Protect client interests through disciplined quality assurance.
- Deliver practical solutions for public, private and individual clients.

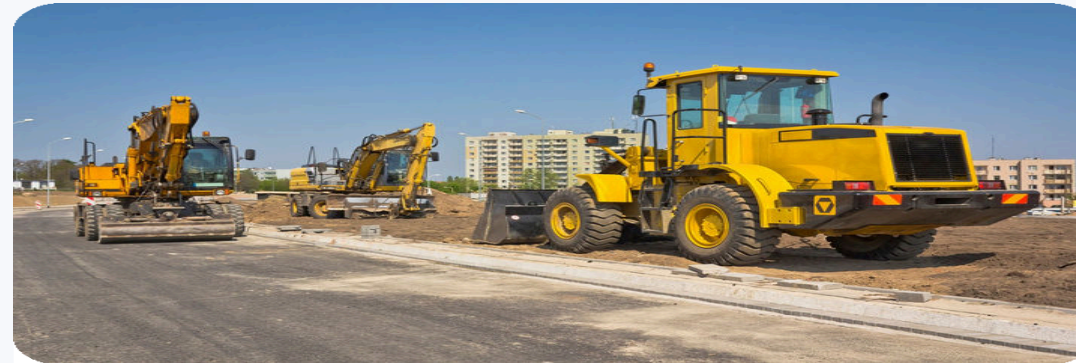

OUR CONSTRUCTION SERVICES

A broad portfolio for residential, commercial, industrial and infrastructure projects.

Building Construction

Residential, commercial and industrial building works from foundations to finishing.

Civil Works & Roads

Road works, drainage, earthworks, concrete works and related infrastructure.

Renovation & Maintenance

House renovation, repairs, upgrades and improvement works for existing assets.

Plumbing Works

Installation, repair and maintenance of water and plumbing systems.

General Supply

Supply of construction materials including cement, sand, gravel, steel, pipes and related items.

Construction Design

Planning support, drawings coordination and practical construction planning for project execution.

CIVIL WORKS & ROADS

CENTROID
CONTRACTORS
LIMITED

Capability in infrastructure, road works and related field activities.

CIVIL WORKS SCOPE

- Road construction and improvement works.
- Earthworks, compaction and site preparation.
- Drainage, culverts and concrete structures.
- Infrastructure support for public and private projects.
- Site supervision, resource management and quality control.

We combine practical site management, safety control and reliable delivery for civil infrastructure assignments.

BUILDING CONSTRUCTION

From foundations to finishing - structured delivery for modern buildings.

Structural Works

Foundations, slabs, columns, beams and concrete works executed to specification.

Finishing Works

Masonry, plastering, flooring, painting and related finishing trades.

Renovation

Minor repairs, upgrades and complete renovation for residential and commercial buildings.

Site Coordination

Coordination of labor, material supply, equipment and progress reporting.

DELIVERING BUILDINGS THAT SERVE PEOPLE

Centroid Contractors Limited focuses on well-managed building projects that align with client requirements, safety considerations and construction standards.

PROJECT DELIVERY ROADMAP

How we manage work from planning to handover.

Project Planning

Define scope, resources, timeline and budget controls.

01

Quality Assurance

Check workmanship and materials against required standards.

03

Client Communication

Provide regular updates and maintain transparency.

05

02

Site Supervision

Ensure on-site work is organized, safe and quality-driven.

04

Resource Management

Manage labor, equipment and materials efficiently.

06

Safety Management

Enforce safety protocols and protective equipment use.

QUALITY, SAFETY & RISK CONTROL

CENTROID
CONTRACTORS
LIMITED

A controlled approach to construction performance and client protection.

Quality Assurance

Clear inspection routines, skilled workmanship, material control and close supervision of every stage.

Safety Standards

Protective equipment, hazard awareness, toolbox talks and safe operating procedures on site.

Resource Control

Efficient management of labor, materials, equipment and daily activity planning.

Client Protection

Transparent updates, documentation, risk awareness and responsible project delivery.

HSE
QUALITY FIRST

INSURANCE & CLIENT PROTECTION

Risk-aware operations that prioritize safety, transparency and trust.

Property Protection

We recognize the importance of safeguarding client properties and interests throughout the construction process.

Liability Awareness

Our operating policy supports controlled site practices and organized procedures for addressing potential claims.

Employee Assurance

Workers are supported through safety orientation, protective equipment and a strong focus on wellbeing.

Claims Support

In case of project incidents, documentation, reporting and client communication are managed promptly.

WHY CHOOSE CENTROID?

A dependable construction partner for demanding projects.

SINCE 2020
